

Quick Reference Guide

2022 C-Class Cabriolet

Models & MSRP

▪ Mercedes-Benz C 300 (RWD) Cabriolet	\$55,400
▪ Mercedes-Benz C 300 4MATIC Cabriolet	\$57,400
▪ Mercedes-AMG C 43 Cabriolet	\$67,000
▪ Mercedes-AMG C 63 S Cabriolet	\$87,100

**Above prices exclude \$1,050 destination & delivery charge*

What's New for MY22

- Adaptive Highbeam Assist now standard
- LED Intelligent Light System now available as a standalone option
- New paint options include Starling Blue Metallic and Cirrus Silver Metallic

Standard Feature Highlights

- 9G-TRONIC 9-speed automatic transmission
- 12.3" Digital Instrument Cluster
- LED headlamps and taillamps
- Smartphone integration
- Bluetooth technology
- 18" wheels
- All-Season Tires
- Automatic seatbelt extender
- AIRSCARF®
- AIRCAP
- Blind Spot Assist
- ATTENTION ASSIST®
- Active Brake Assist
- PRE-SAFE®
- Power-folding mirrors
- Semi-automatic trunk separator
- KEYLESS START
- KEYLESS-GO®
- Burmester Surround Sound System
- SiriusXM® Satellite Radio
- 64-Color Ambient Lighting with Illuminated Door Sills
- Heated Front Seats
- DYNAMIC SELECT
- ECO Start/Stop
- Multifunction leather steering wheel with Touch Control Buttons
- Wood trim with analog clock
- 50/50 split-folding rear seats
- Adaptive Braking Technology
- Soft top available in four colors

AMG C43 Standard Feature Highlights

- AMG-enhanced 3.0L V6 biturbo (385 hp / 384 lb-ft)

- AMG SPEEDSHIFT® TCT 9-speed transmission
- AMG Performance 4MATIC all-wheel drive with rear-biased torque distribution (31 / 69)
- AMG DYNAMIC SELECT
- AMG Performance Steering Wheel
- AMG RIDE CONTROL sport suspension with adaptive 3-stage damping
- 18" wheels

AMG C63 S Standard Feature Highlights

- AMG SPEEDSHIFT® MCT 9-speed transmission
- Handcrafted AMG 4.0-liter V8 biturbo engine with 503 hp
- AMG-specific grille
- Extended AMG DYNAMICS driving modes
- Electronically controlled limited-slip differential
- AMG Performance Exhaust System
- Adjustable 9-setting AMG TRACTION CONTROL system derived from AMG GT3 racecar
- Dynamic engine mounts
- AMG DRIVE UNIT
- AMG High Performance Tires

Optional Feature Highlights

- Driver Assistance Package
- Multimedia Package featuring COMAND® Navigation & Voice Control
- Parking Assistance Package with Surround View System & Rear Cross-Traffic Alert
- AMG Line featuring a selection of 18" and 19" wheels
- Night Package
- Ventilated Front Seats
- Heated Steering Wheel
- Head-Up Display
- Inductive Wireless Charging & NFC Pairing

AMG C43 Optional Feature Highlights

- AMG Performance Steering Wheel in DINAMICA
- AMG DRIVE UNIT
- AMG Exterior Carbon Fiber Package
- AMG Night Package
- AMG Track Pace
- AMG Performance Exhaust System
- AMG Performance Seats

AMG C63 S Optional Feature Highlights

- AMG Exterior Carbon Fiber Package II
- AMG Ceramic Composite Front Braking System

Technical Highlights

- **Driver Assistance Systems:** the enhanced intelligent hands-off detection includes sensing via finger pads and is sensitive to specific conditions:
 - **Active Distance Assist DISTRONIC®** is able to follow a vehicle in front at a pre-selected distance at wide range of speeds and relieves driver strain on long journeys and when following vehicles.
 - **Active Blind Spot Assist** informs the driver to help avoid an imminent side impact by single-sided braking.
 - **Active Steering Assist** provides steering torque to keep the vehicle in its lane and can actively intervene even if road lines are unclear or non-existent.
 - **Active Lane Keeping Assist** is able to detect unintentional lane departure, warn the driver and help to guide the vehicle back into its lane with one-sided brake actuation.

- **PRE-SAFE® PLUS** activates the PRE-SAFE safety measures when a collision from behind is imminent.
- **Active Brake Assist with Cross-Traffic Function** gives the driver a visual warning if the distance to the vehicle in front is too small. On detecting the danger of a collision there is an acoustic warning, driver braking can be assisted and, if the driver fails to react, the speed can be reduced autonomously.
- **Speed Limit Assist** detects and displays the speed limit.
- **Active Lane Change Assist:** radar-and-camera-based system that aids the driver when changing lanes, for example, when overtaking. When a turn is indicated for at least two seconds, Active Lane Change Assist will aid with steering into the adjacent lane if it detects the lane is empty.
- **Evasive Steering Assist:** when a driver deliberately or instinctively performs an evasive maneuver, this system assists by adding calculated steering torque to aid in steering wheel movement.
- **PRE-SAFE® Sound:** omits a short interference signal if an imminent collision is detected, triggering a protective reflex in the human ear referred to as the “stapedius reflex,” which can help reduce hearing loss in the event of an accident.
- **Car-to-X Communication:** the C-Class simultaneously acts as a receiver and transmitter, conveying warning messages and evaluating driving conditions via intelligent communication systems, effectively allowing the driver to “see around corners” and “through obstacles.”
- **Touch Control Buttons:** touch-sensitive controls on the steering wheel for instrument cluster and infotainment system control, similar to a smart-phone interface, which respond to vertical and horizontal swiping movements.

Model Positioning

- A benchmark for the class; full range of mid-luxury cabriolets equipped with the latest Mercedes-Benz safety and connectivity technology and offering pinnacle performance with biturbo engines and AMG variants.
