

Welcome to the E-Class Family

The new E-Class Coupe and Cabriolet dream cars from Mercedes-Benz and Mercedes-AMG celebrate their digital world premiere

After the premiere of Meet Mercedes DIGITAL on Monday, the next episode of our innovative digital news format is already around the corner.

The second episode is all about the newest members of our E-Class family – the Mercedes-Benz and Mercedes-AMG E-Class Cabriolet and Coupe. We will take you to our Testing and Technology Center in Immendingen (Germany) to showcase the technical highlights and features of these two variants.
