

Mercedes-Benz

The SL Grand Edition

Press Information

Fresh air for the luxury Roadster

February 19, 2019

Stuttgart. Grand Edition - this is what especially exclusive Mercedes-Benz special edition models are called. The new Grand Edition models of the SL 450 and SL 550 come with numerous highlights to the interior and exterior that create an even more luxurious driving experience. The exclusive Roadster will arrive in U.S. dealerships in 2020.

The SL Grand Edition is available in Graphite Grey with applications in high-gloss chrome and matte silver to ensure a special look for the front bumper. The Grand Edition models have exclusive 19-inch front and 20-inch rear AMG 10-spoke forged wheels. These are painted high-gloss black and have a high-sheen rim lip and spokes. The badges with the SL Grand Edition logo placed laterally on the mudguards subtly reference the special model's status.

The *designo* Tundra Brown Pearl leather with its shimmering metallic surface catches the eye on the interior, with details such as fine diamond quilting, piping in *designo* Golden Olive Pearl and an embroidered special model logo on the head restraints. The multifunction sports steering wheel is also designed in Tundra Brown Pearl leather. The grip zone is particularly easy on the hand in perforated black Nappa leather. The Grand Edition will also receive the sports suspension, which is lowered by 10 mm for firmer tuning and sportier driving dynamics.

The Grand Edition models at a glance:

	SL 450	SL 550
Number of cylinders/arrangement	6/V	8/V
Displacement (cc)	2,996	4,663
Rated output (hp)	362	449

Rated torque (lb-ft)	369	516
Acceleration 0-60 mph (s)	4.9	4.3
Top speed (mph) (electronically limited)	155	155
