

Mercedes-AMG GT 4-Door Coupe V8 models to start at \$136,500

All-new, high-performance, 4-Door Coupe expands AMG GT family and offers unparalleled levels of performance and versatility

Press Information

December 17, 2018

Atlanta. Mercedes-Benz USA today announced pricing for the V8 variants of the highly anticipated new Mercedes-AMG GT 4-Door Coupe. The Mercedes-AMG GT 63, powered by a handcrafted AMG 4.0-liter V8 biturbo that produces 577 hp and 590 lb-ft peak torque, starts at \$136,500*. The more powerful Mercedes-AMG GT 63 S produces 630 hp and 664 lb-ft peak torque and starts at \$159,000*. Additional standard equipment for the GT 63 S includes the AMG Performance Exhaust System, the AMG Dynamic Plus Package including Active Engine Mounts, RACE Mode, Drift Mode, and AMG Drive Unit steering wheel controls. The Mercedes-AMG GT 63 and Mercedes-AMG GT 63 S will arrive in U.S. dealers in the first half of 2019. Pricing for the GT 53 variant will be announced at a later date.

Drawing directly from the successes of the legendary SLS and AMG GT, the new Mercedes-AMG GT 4-Door Coupe is the third vehicle developed independently by AMG, and its first unique four-door sports car. Engineering highlights of the new Mercedes-AMG GT 4-Door Coupe include Active Rear-Wheel Steering, facilitating high agility and stability characteristics, standard electronically deployable rear spoiler, providing optimal rear downforce at a variety of speeds, AMG electronic rear-axle limited-slip differential, and specially adapted AMG Ride Control Sport Suspension based on Air Body Control.

This expansion of the AMG GT family opens up the segment to those looking for a vehicle that combines the impressive racetrack dynamics of the two-door AMG GT sports car with everyday practicality, offering ample space for four passengers, with the unparalleled level of performance expected from Mercedes-AMG.

**Prices excludes \$995 destination and delivery charge.*
