2027 Model Year Launch Highlights

- CLA 220 Hybrid (new model) *Available at U.S. dealerships*
- C 400 4MATIC Electric (all-new) *Arrives at U.S. dealerships in spring 2027*
- EQS 450+ (facelift) *Arrives at U.S. dealerships in fall 2026*
- EQS 500 4MATIC (facelift & new model) *Arrives at U.S. dealerships in fall 2026*
- EQS 580 4MATIC (facelift) *Arrives at U.S. dealerships in fall 2026*
- GLB 250+ Electric (all-new) *Arrives at U.S. dealerships in late 2026*
- GLB 350 4MATIC Electric (all-new) *Arrives at U.S. dealerships in late 2026*
- GLB 250 4MATIC Hybrid (all-new) *Arrives at U.S. dealerships in spring 2027*
- GLC 400 4MATIC Electric (all-new) *Arrives at U.S. dealerships in fall 2026*
- GLE 350 4MATIC (facelift) *Available at U.S. dealerships*
- GLE 450 4MATIC SUV / Coupe (facelift) *Available at U.S. dealerships*
- GLE 500e 4MATIC (facelift & new model) *Arrives at U.S. dealerships in fall 2026*
- GLE 580 4MATIC (facelift) *Arrives at U.S. dealerships in fall 2026*
- GLS 450 4MATIC (facelift) *Available at U.S. dealerships*
- GLS 580 4MATIC (facelift) *Arrives at U.S. dealerships in fall 2026*
- S 500 4MATIC (facelift) *Available at U.S. dealerships*
- S 580e 4MATIC (facelift) *Arrives at U.S. dealerships in fall 2026*
- S 580 4MATIC (facelift) *Available at U.S. dealerships*
- AMG GLC 53 SUV / Coupe (new model) *Available at U.S. dealerships*
- AMG GLE 53 HYBRID SUV / Coupe (facelift & new model) *Available at U.S. dealerships*
- AMG GLE 63 S SUV / Coupe (facelift) *Arrives at U.S. dealerships in fall 2026*
- AMG GLS 63 (facelift) *Arrives at U.S. dealerships in fall 2026*
- AMG GT 53 4-Door Coupe (all-new) *Arrives at U.S. dealerships in early 2027*
- AMG GT 55 4-Door Coupe (all-new) *Arrives at U.S. dealerships in fall 2026*
- AMG GT 63 4-Door Coupe (all-new) *Arrives at U.S. dealerships in early 2027*
- Maybach GLS 680 (facelift & new model) *Arrives at U.S. dealerships in late 2026*
- Maybach S 580 (facelift) *Available at U.S. dealerships*
- Maybach S 680 (facelift) *Available at U.S. dealerships*

What's New for 2027 Highlights By Model Line

CLA Sedan

Highlights for 2027

- CLA 220 Hybrid joins CLA Sedan lineup
- Introduction of new multifunction steering wheel with intuitive rocker and roller controls
- New optional SKY CONTROL – glass panoramic roof can switch between transparent and opaque with seven individually selectable zones

C-Class Electric Sedan

Highlights for 2027

- All-new C 400 4MATIC elevates the C-Class with new levels of elegance, comfort, technology and sportiness
 - 483 hp and 590 lb-ft enable acceleration from 0-60 mph in 3.9 sec
 - 800-volt electric architecture with 94-kWh battery and DC fast charging up to 330 kW
 - Optional AIRMATIC air suspension with intelligent damping and 4.5-degree rear-axle steering available on the C-Class for the first time
 - New Iconic Grille with optional illumination featuring 1,050 illuminated points
 - Mercedes-Benz Operating System (MB.OS) with new generation MBUX infotainment and MBUX Virtual Assistant with integrated generative AI
 - Optional MBUX Hyperscreen features high-resolution 39.1-inch display – the largest continuous screen ever available in a C-Class
 - Available SKY CONTROL panoramic roof and ambient lighting
 - Extensive advanced driver assistance technologies, including standard MB.DRIVE Standard, standard Digital Extras: MB.DRIVE PARKING ASSIST¹ and MB.DRIVE PARKING ASSIST 360¹, and optional Digital Extra: MB.DRIVE ASSIST¹

C-Class Sedan

Details for model year 2027 will be available at a later date

CLE Coupe

Highlights for 2027

- New standard equipment includes Surround View 360° Camera and Active Distance Assist DISTRONIC

AMG CLE Coupe Updates

- Active Distance Assist DISTRONIC fitted standard

CLE Cabriolet

Highlights for 2027

- Surround View 360° Camera and Active Distance Assist DISTRONIC included standard

AMG CLE Cabriolet Updates

- Active Distance Assist DISTRONIC offered as standard equipment

E-Class Sedan

Highlights for 2027

- Expanded standard equipment features Active Distance Assist DISTRONIC and Dashcam

AMG E-Class Updates

- Active Distance Assist DISTRONIC and Dashcam offered standard

E-Class Wagon

Highlights for 2027

- Active Distance Assist DISTRONIC and Dashcam fitted standard

AMG E-Class Wagon Updates

- Additional standard equipment includes Active Distance Assist DISTRONIC and Dashcam

EQE SUV

Highlights for 2027

- The Mercedes-Benz EQE SUV returns for 2027 with no equipment changes

EQS Sedan

Highlights for 2027

- Extensive powertrain upgrades deliver exceptional range, efficiency and charging performance:
 - New 800-volt architecture
 - Next generation electric drive units with two-speed transmission at the rear axle
 - 122-kWh battery with optimized cell chemistry
 - DC fast charging up to 350 kW
- Mercedes-Benz Operating System (MB.OS) enables over-the-air updates for the entire vehicle software
- EQS 450+ features impressive 467-mile (EPA) electric range
- Introduction of new EQS 500 4MATIC
- Increased output and improved performance across EQS Sedan portfolio:
 - EQS 450+: 402 hp and 0-60 mph in 5.7 sec (47-hp increase and 0.2-sec quicker)
 - EQS 500 4MATIC: 469 hp and 0-60 mph in 4.3 sec (114-hp increase and 1.6-sec quicker)
 - EQS 580 4MATIC: 576 hp and 0-60 mph in 3.9 sec (40-hp increase and 0.3-sec quicker)
- Standard AIRMATIC features new Intelligent Damper Control
- Standard next generation DIGITAL LIGHT with new Adaptive Highbeam Assist Plus
- Dual-Plug Charging Port with NACS for DC fast charging and J1772 for AC charging

EQS SUV

Highlights for 2027

- Generous standard equipment now features Anodized Aluminum Roof Rails
- Expanded wheel portfolio featuring new designs

GLA SUV

Highlights for 2027

- The Mercedes-Benz GLA returns for 2027 with no equipment changes

AMG GLA SUV Updates

- The Mercedes-AMG GLA returns for 2027 with no equipment changes

GLB SUV

Highlights for 2027

- All-new GLB combines striking SUV design with everyday practicality
- Portfolio includes both all-electric and high-tech hybrid models:
 - GLB 250+ Electric
 - GLB 350 4MATIC Electric
 - GLB 250 4MATIC Hybrid
- Mercedes-Benz Operating System (MB.OS) with fourth-generation MBUX infotainment and new MBUX Virtual Assistant with AI from Google and Microsoft
- Available floating MBUX Superscreen features 10.25-inch driver display, 14-inch central display and 14-inch front passenger display beneath a large glass surface
- Standard high-performance LED headlights and available LED Intelligent Light System
- Standard panoramic glass roof
- Space for up to seven with optional third row seat
- Optional Adjustable Damping enables customers to tailor the suspension damping via DYNAMIC SELECT for ride comfort or dynamic handling
- Enhanced standard and optional intelligent driver assistance systems

GLC Electric SUV

Highlights for 2027

- All-new GLC 400 4MATIC Electric sets new standards
 - 483 hp and 590 lb-ft deliver impressive performance: acceleration from 0-60 mph in 4.2 sec
 - New 800-volt electric architecture with 94-kWh battery
 - DC fast charging up to 330 kW
 - Up to 350 miles (EPA) of all-electric range
 - Advanced electric powertrain with two-speed transmission at the rear axle
 - Available new AIRMATIC air suspension with intelligent damping and 4.5-degree rear-axle steering elevates ride comfort and enhances agility
 - New One-Box braking system
 - New optional MBUX Hyperscreen with 39.1-inch display – the largest continuous screen in a Mercedes-Benz model to date

- Mercedes-Benz Operating System (MB.OS) enables over-the-air updates for the entire vehicle software
- New generation MBUX infotainment and MBUX Virtual Assistant with integrated generative AI provide a highly personalized experience
- Optional next generation DIGITAL LIGHT with micro-LED technology
- Available SKY CONTROL for panoramic roof and starry ambient lighting with 162 illuminated stars
- Extensive driver and parking assistance systems, including standard MB.DRIVE Standard and standard Digital Extras: MB.DRIVE PARKING ASSIST and MB.DRIVE PARKING ASSIST 360¹

GLC SUV

Highlights for 2027

- Surround View 360° Camera, Active Distance Assist DISTRONIC and panoramic roof offered standard

AMG GLC SUV Updates

- New AMG GLC 53 SUV
 - AMG-enhanced 3.0-liter inline six-cylinder produces 443 hp and 443 lb-ft of torque (472 lb-ft for 10 seconds with overboost)
 - AMG Performance 4MATIC+ fully variable all-wheel drive fitted standard
 - Optional AMG DYNAMIC PLUS Package introduces Drift mode on an AMG SUV for the first time
 - New optional Golden Accents Package and Design Package (both exclusively available for 2027)
 - Standard Active Distance Assist DISTRONIC and Surround View 360° Camera

GLC Coupe

Highlights for 2027

- AMG Line Exterior and Active Distance Assist DISTRONIC are now equipped standard

AMG GLC Coupe Updates

- Introduction of new AMG GLC 53 Coupe
 - AMG-enhanced 3.0-liter inline six-cylinder features agile response and high-revving character
 - Standard RACE START enables 0-60 mph acceleration in 4.0 sec
 - AMG RIDE CONTROL Suspension with Adaptive Damping equipped standard
 - Optional Golden Accents Package and Design Package (exclusively available for 2027)
 - Standard Active Distance Assist DISTRONIC and Surround View 360° Camera

GLE SUV

Highlights for 2027

- Refreshed for 2027 with extensive updates – approximately 3,000 new or revised components
- Introduction of GLE 500e 4MATIC plug-in hybrid
- Revised engine lineup delivers increased power, torque, and responsiveness across the portfolio
- MB.OS enables over-the-air updates of the entire vehicle software, making the new GLE the most intelligent to date
- Next generation MB.DRIVE driver and parking assistance technologies
- New MBUX Superscreen introduced as standard, featuring three 12.3-inch displays beneath a seamless glass surface

- Elevated interior features standard panoramic roof, new multifunction steering wheel with intuitive control concept, new climate control vents with integrated ambient lighting and new upholstery designs
- GLE 450 4MATIC includes additional standard features: Burmester® 3D Surround Sound System (15 speakers, 710W) with Dolby Atmos®, Ventilated Front Seats, Augmented Video for Navigation and Illuminated Grille with Illuminated Mercedes-Benz Star

AMG GLE Updates

- Comprehensive update for 2027 with extensive upgrades and more emotional design
- Introduction of new AMG GLE 53 HYBRID
 - AMG-enhanced 3.0-liter Inline-6 Turbo Plug-In Hybrid powertrain delivers 577-hp combined system output and 553-lb-ft combined system torque
 - 45-mile (EPA) electric range
- AMG GLE 63 S features a thoroughly revised 4.0-liter V8 biturbo engine with new flat-plane crankshaft, producing 603 hp and 627 lb-ft
- MB.OS enables over-the-air updates of the entire vehicle software
- New standard MBUX Superscreen with three 12.3-inch displays beneath a seamless glass surface
- Revised engine lineup delivers increased power, torque, and responsiveness across the portfolio
- Next generation MB.DRIVE driver and parking assistance technologies
- New interior and exterior paint and upholstery offerings

GLE Coupe

Highlights for 2027

- Thoroughly refreshed for 2027
- Refined, athletic exterior design
- New engine delivers increased torque and greater responsiveness
- MB.OS enables over-the-air updates of the entire vehicle software
- Next generation MB.DRIVE driver and parking assistance technologies, including standard MB.DRIVE Standard and standard Digital Extras: MB.DRIVE PARKING ASSIST and MB.DRIVE PARKING ASSIST 360¹
- New standard MBUX Superscreen, featuring three 12.3-inch displays
- Enhanced interior design with new climate control air vents integrated with ambient lighting, new multifunction steering wheel with intuitive control concept and new standard seat upholstery with moccasin stitching

AMG GLE Coupe Updates

- Comprehensive update for 2027 with extensive upgrades and more emotional design
- Introduction of new AMG GLE 53 HYBRID Coupe
 - AMG-enhanced 3.0-liter Inline-6 Turbo Plug-In Hybrid powertrain delivers 577-hp combined system output and 553-lb-ft combined system torque
 - 46-mile (EPA) electric range
- AMG GLE 63 S Coupe features a thoroughly revised 4.0-liter V8 biturbo engine with new flat-plane crankshaft, producing 603 hp and 627 lb-ft
- New standard MBUX Superscreen with three 12.3-inch displays beneath a seamless glass surface
- New interior and exterior paint and upholstery offerings

GLS SUV

Highlights for 2027

- Extensive refresh for 2027
- New range of engines delivers more agile acceleration and exceptional refinement
- Exterior design features new distinctive grille with illuminated surround and optional illuminated standing Mercedes-Benz star
- Latest generation DIGITAL LIGHT headlamps
- Standard AIRMATIC air suspension with new Intelligent Damper Control
- Next generation MB.DRIVE driver and parking assistance systems
- MB.OS enables over-the-air updates of the entire vehicle software
- New standard MBUX Superscreen with three 12.3-inch displays beneath a seamless glass surface
- Standard Burmester® 3D Surround Sound System (15 speakers, 710W) with Dolby Atmos® and optional Burmester® High-End 3D Sound System (26 speakers, 1,430W)
- Additional interior highlights include new multifunction steering wheel, new climate control air vents with integrated ambient lighting, new standard seat upholstery with moccasin stitching and a new optional seat upholstery design
- New optional equipment for rear passengers: Rear Seat Entertainment Package and Executive Rear Seat Package Plus

AMG GLS Updates

- Refresh for 2027 introduces new updates throughout
- Revised 4.0-liter V8 biturbo engine (AMG M177 EVO) features numerous upgrades, including new flat-plane crankshaft, modified intake camshaft, optimized fuel injection system and state-of-the-art exhaust aftertreatment
 - Elevated performance with acceleration from 0-60 mph in 3.9 sec (0.2-sec quicker)
- Further developed AMG Performance Exhaust system
- Refined exterior design with distinctive AMG-specific grille and exclusive AMG light signature
- Expanded MANUFAKTUR exterior color palette
- New 23-inch wheel designs
- Standard MBUX Superscreen with 12.3-inch driver, central and passenger displays

Maybach GLS SUV

Highlights for 2027

- Thoroughly refreshed for 2027
- More expressive front exterior design features Maybach-specific radiator grille with illuminated surround and commanding new light signature
- Available new wheel designs, including 23-inch Maybach Forged wheels with floating, upright Mercedes-Benz star
- New, more powerful electrified V8 biturbo engine produces 603 hp and 627 lb-ft (increase of 53 hp and 89 lb-ft)
- Introduction of new Intelligent Damper Control for standard AIRMATIC air suspension
- New Maybach-exclusive interior upholstery, trim elements and two-tone paint options
- Standard new MBUX Superscreen featuring three 12.3-inch displays beneath a seamless glass surface
- Enhanced standard Burmester® 3D Surround Sound System with Dolby Atmos®

G-Class SUV

Highlights for 2027

- G 550:
 - New optional MANUFAKTUR Vintage Look Package
 - Diverse exterior color palette features new Aqua Mint paint
 - Biometric Fingerprint Scanner for MBUX Profile Authentication introduced as standard
- G 580 Electric:
 - New “Sand” DYNAMIC SELECT drive program
 - Optional Aqua Mint paint, MANUFAKTUR Roof in Polar White, 20-inch AMG 5-Spoke wheels among new personalization options
 - MANUFAKTUR Made to Measure paint – hundreds of exterior hues enable customers to create a truly individual vehicle
 - Standard Biometric Fingerprint Scanner for MBUX Profile Authentication

AMG G-Class Updates

- Introduction of exclusive new MANUFAKTUR Two-Finish Package
- Available Aqua Mint and MANUFAKTUR Olive Magno paint finishes
- Optional MANUFAKTUR Roof in Polar White
- New AMG Matte Carbon Fiber interior trim option
- Standard Biometric Fingerprint Scanner for MBUX Profile Authentication

S-Class Sedan

Highlights for 2027

- Most comprehensive update to S-Class within a single generation – more than 50 percent of the vehicle is newly developed, updated and refined
- New generation powertrains deliver elevated performance, refinement and efficiency
 - S 500 4MATIC: new six-cylinder engine delivers 442 hp and 443 lb-ft, and briefly up to 472 lb-ft with overtorque
 - S 580e 4MATIC: new plug-in hybrid powertrain features 576-hp combined system output and 21.96-kWh battery
 - S 580 4MATIC: all-new V8 engine produces 530 hp and 553 lb-ft for impressive acceleration from 0-60 mph in 3.9 sec
- Standard next generation DIGITAL LIGHT with new Adaptive Highbeam Assist Plus – the first Mercedes-Benz model in the U.S. with this new feature
- Standard AIRMATIC air suspension with new Intelligent Damper Control
- Extensive sensor technology and powerful new supercomputer enable next generation MB.DRIVE assistance technologies
- New standard MBUX Superscreen, latest generation MBUX infotainment, MBUX Virtual Assistant with generative AI, enhanced Zero Layer interface, navigation based on Google technology and MBUX Surround Navigation
- MB.OS integrates all systems into one intelligent ecosystem and enables over-the-air updates for the entire vehicle software

Maybach S-Class Sedan

Highlights for 2027

- Most extensive update in the history of Maybach S-Class, elevating luxury to a new level of exclusivity
- First Maybach model with MB.OS integration
- Maybach S 580 features new V8 engine with mild-hybrid technology producing 530 hp and 553 lb-ft
- New Intelligent Damper Control for standard AIRMATIC air suspension
- Expansive standard suite of MB.DRIVE advanced driver assistance and parking assistance technologies
- New 20- and 21-inch Maybach Forged wheels with floating, upright Mercedes-Benz star

AMG GT 4-Door Coupe

Highlights for 2027

- All-new AMG GT 4-Door Coupe redefines performance: 1,153 hp and 1,475 lb-ft (AMG GT 63), and acceleration from 0-60 mph in 2.0 sec (AMG GT 63)
- New high performance AMG.EA architecture and numerous world-first innovations
- New drivetrain concept features revolutionary axial flux motors (AMG GT 55 and AMG GT 63) – a world-first for a series-production vehicle
- New AMG High Performance Electric Battery with newly developed cells
- Exceptional charging performance: 600-kW DC fast charging and intelligent direct cooling of battery cells
- Driver-focused cockpit with 10.2-inch driver display, 14-inch driver-oriented central display and 14-inch passenger display
- Available new AMG RACE ENGINEER Control Unit enables customers to finely tailor vehicle dynamics
- Fourth-generation MBUX infotainment featuring AMG-specific graphics and MBUX Voice Assistant based on artificial intelligence

AMG SL Roadster

Highlights for 2027

- Expanded standard equipment includes the Driver Assistance Package with Active Distance Assist DISTRONIC, Active Blind Spot Assist, Active Lane Keeping Assist, Active Steering Assist and Active Speed Limit Assist
- New personalization options for AMG SL 55 and AMG SL 63: MANUFAKTUR Package, AMG Sport Stripes and MANUFAKTUR Shadow Green/Black Nappa leather

Maybach SL Roadster

Highlights for 2027

- Introduction of two new upholstery options: MANUFAKTUR Silk Brown Nappa leather and MANUFAKTUR Black Nappa leather
- Optional hood finished in body color available in combination with MANUFAKTUR Exclusive paints

IONNA charging network

IONNA, the charging network founded by eight of the world's leading automakers, was founded on an idea that automaker collaboration would create a better charging experience for drivers. IONNA has surpassed more than 180 live charging sites nationwide, more than doubling the size of the network since the beginning of 2026. This growth is anchored by industry-leading customer satisfaction, with IONNA earning the top ranking among DC Fast Chargers in the JD Power 2026 U.S. Electric Vehicle Experience (EVX) Public Charging StudySM in the very first year of eligibility, demonstrating IONNA's focus on coverage, reliability, and amenities. Together, these achievements reflect not just a promise, but the execution of a quality product, at national scale.

- IONNA is the largest 400kW charging network in the U.S.
- IONNA network grows to more than 180 sites live nationwide
- Mercedes-Benz drivers now eligible for IONNA Charging discounts

2027 Pricing Overview

Carline	Model	MSRP ²
CLA Sedan	CLA 250+ Electric	\$47,950
	CLA 350 4MATIC Electric	\$50,500
